SEMINAR BRUSSELS 2017

MUS-E BELGIUM

MUS-E Belgium invites 21 artists from 7 countries to Brussels. During an intensive 5-day trajectory they will work together in interactive laboratory workshops, explore best practices and exchange experiences and know-how.

6 MUS-E Belgium artists of different disciplines welcome you to work with them in close groups.

Together, we will bring the result of our collaboration to the open air art festival SuperVliegSuperMouche, offering workshops, presentations and performances.
